I am currently living in Goose Hollow, will be staying for next year, and wish to contract housing through the Summer.

I am currently living in Goose Hollow and wish to contract housing through the Summer. I will be moving out before Fall term and understand that the move out deadline is the end of Goose Hollow office hours on August 7th. Refer to check out procedures in your housing agreement.

I am new to Housing this Summer and have submitted my housing application and deposit for the academic year beginning in the Fall. I understand that the contract is for a furnished unit and that I need to notify the housing coordinator if I wish to opt out of the furniture in my bedroom. I understand that the housing price is not effected by this choice and that I forfeit any option of switching units If I choose to opt out of furniture. I further understand that the earliest move-in date for Summer housing is noon on June 7th.

Summer housing may be purchased for one or both months of Summer term and is \$538 per month or \$1,076 for the duration and will be posted to your PNCA student account

Signature

By signing of a housing application, the student understands that he/she agrees to be bound by the terms and conditions contained herein and to follow PNCA and HNW, LLC rules of conduct. Retain a copy of this contract with your important records. The complete Housing Application and the \$450 Housing Deposit must be received by the PNCA Housing Coordinator before you will be considered for a Summer housing assignment. Singing below also gives us permission to use your contact information in a general housing directory to get a hold of you via text messaging, phone calls, and e-mail.

date

Submission of a housing application is not a guarantee of housing space. Your application date and the geographic location of your present address may be used to determine your priority for a housing space. Applications submitted after the dates listed below will be considered on a space available basis. Effort will be made to accommodate all requests for housing space. Please remember to read and keep a copy of your PNCA Housing Contract for future reference.

Submit Summer application to the PNCA Housing Coordinator by May 15th
